

SAGN LLC is a Miami-Dade based, woman-owned small business delivering reliable supply sourcing, procurement support, and grounds maintenance solutions to local, state, and federal government clients across Florida and the Southeast U.S.

CORE COMPETENCIES

Janitorial & Cleaning Supplies

Sourcing and delivery of janitorial and cleaning products for government facilities. No cleaning services performed — supply fulfillment only.

Industrial & Facility Supplies

Procurement and resale of industrial equipment, safety supplies, and facility maintenance materials for agency and installation needs.

Office & Administrative Supplies

Vendor sourcing and delivery of office consumables, stationery, and general administrative supplies for government offices.

Landscaping & Grounds Maintenance

Grounds maintenance coordination for government properties through licensed Florida subcontractors. Owner serves as prime contractor.

WHY SAGN LLC

- Direct owner oversight on every engagement
- Responsive, flexible — no bureaucratic layers
- Committed to TAA and Berry Amendment compliance
- Florida-based, serving local and federal agencies
- Actively seeking first past performance opportunities
